

Introduction

Weekly Breakdown (4hrs total)

- 3 lecture hours
 - 1 seminar hour \leftarrow 2nd hour on Thursdays
-

The 4 C's to Proofs:

1. Correct

- are all your steps justifiable

2. Complete

- write your proof as if it's the reader's first time seeing it
- does it have everything necessary to understand?

3. Clear

- use standard notation where possible
- write your proof out in a clear manner

4. Concise
